IMPORTANT: BY USING THE SITE, YOU GIVE YOUR CONSENT THAT ALL PERSONAL DATA THAT YOU SUBMIT MAY BE PROCESSED BY US IN THE MANNER AND FOR THE PURPOSES DESCRIBED BELOW. IF YOU DO NOT AGREE TO THESE TERMS AND CONDITIONS, DO NOT USE THE SITE.

1. Types of Information We Collect

In order to better provide you with our service, we may collect two types of information about our users: Personally Identifiable Information and Aggregate Information.

Personally Identifiable Information (“PII”): This refers to information that lets us know the specifics of who you are. Examples of PII may include your first and last name, email address, and telephone number. You may also voluntarily provide other PII, whether or not specifically requested by us, by posting publically viewable comments on the Site. You agree that we may collect any PII voluntarily supplied by you, whether or not we have requested it. You must not submit any PII relating to a third party without obtaining their consent. We do not knowingly collect any information relating to third parties which you do not have permission to provide.

When you engage in certain activities on our Site, such as sending us an email to info@wealthtriangle.com or utilizing our “Contact Us” page, we will ask you to provide certain PII.

Aggregate Information: This refers to information that does not by itself identify a specific individual. We gather certain information about you based upon which parts of the Site you visit and what other sites may have directed you to us. This information, which is collected in a variety of different ways, is compiled and analyzed on both a personal and an aggregated basis. This information may include a website's Uniform Resource Locator ("URL") that points to the site you just came from, which URL you go to after visiting our Site, what browser you are using, and your Internet Protocol ("IP") address.

2. How We Collect and Use Information

We do not collect any PII about you unless you voluntarily provide it to us. However, you may be required to provide certain PII to us when you elect to use certain services available on the Site.

We will primarily use your PII to provide information for you. We will also use certain forms of PII to enhance the operation of our Site, improve our internal marketing and promotional efforts, statistically analyze Site use, improve our service, and customize the Site’s content, layout, and services. We may use PII to deliver information to you,

and to contact you if you request that we do so. Finally, we may use your PII to enforce our agreements with you, including our Site's Terms of Service and this Privacy Policy.

We may also collect certain Aggregate Information. For example, we may use your IP address to diagnose problems with our servers, software, to administer our Site and to gather demographic information.

If your web browser emits "do not track" signals, or you use other mechanisms that provide you the opportunity to prevent the collection of PII or Aggregate Information about your online activities, we presently cannot honor these signals or mechanisms by differentiating you from other users whose browsers do not emit such signals.

3. Cookies

Depending on how you use our Site, we may store cookies on your computer in order to collect certain aggregate data about our users and to customize certain aspects of your specific user experience. A cookie is a small data text file which is stored on your computer that uniquely identifies your browser. Cookies may also include more personalized information, such as your IP address, browser type, the server your computer is logged onto, the area code and zip code associated with your server, and your first name to welcome you back to our Site. We may use cookies to perform tasks such as: monitoring aggregate Site usage metrics, storing and remembering your passwords (if you allow us to do so), storing account and advertising preferences that you have set, and personalizing the Services we make available to you. However, we do not use cookies to track your browsing behaviors.

Most browsers are initially set up to accept cookies, but you can reset your browser to refuse all cookies or to indicate when a cookie is being sent. However, some aspects of the Site may not function properly if you elect to disable cookies.

4. Release of Information

We will not sell, trade, or rent your PII to others. We do provide some of our services through contractual arrangements made with affiliates, service providers, partners and

other third parties ("Service Partners"). We and our Service Partners may need to use some PII in order to perform tasks between our respective sites, or to deliver services to you. For example, we use Service Partners to assist us in delivering our electronic newsletters and communications to you and to analyze Aggregate Information.

We will choose Service Partners who adopt and promote strong privacy policies. However, the use of your PII by our Service Partners is governed by the respective privacy policies of those providers and is not subject to our control.

Except as otherwise discussed in this Privacy Policy, this document only addresses the use and disclosure of information we collect from you. Any other sites accessible through our Site, including those of our Service Partners, have their own privacy policies and data collection, use and disclosure practices. Please consult each site's privacy policy. We are not responsible for the policies or practices of third parties.

Other than our Service Partners, we do not allow third parties to collect PII or Aggregate information about you or your online activities when you use our Site.

Occasionally we may be required by law enforcement or judicial authorities to provide PII to the appropriate governmental authorities. In such cases, we will disclose PII upon receipt of a court order, subpoena, or to cooperate with a law enforcement investigation. We fully cooperate with law enforcement agencies in identifying those who use our services for illegal activities. We reserve the right to report to law enforcement agencies any activities that we in good faith believe to be unlawful.

5. Updating and Correcting Information

We believe you should have the ability to access and edit the PII that you have provided to us. You may change any of your PII in your account online at any time by e-mailing us at info@wealthtriangle.com.

You may make such a request once per calendar year, and we will provide the information to you free of charge. Please send any requests made pursuant to this section to us by e-mail by at info@wealthtriangle.com. However, as defined under Section 1798.83, we do not currently share any personal information with third parties for their direct marketing purposes.

7. User Choices on Collection and Use of Information

We may, from time to time, send you e-mails and/or newsletters regarding information or services that we feel may interest you. Only Wealth Triangle Enterprises, LLC (or agents working on behalf of us and under confidentiality agreements) will send you these notifications. 8. Security of Your PII

At our Site we make extensive efforts to secure your PII. We strive to take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of your PII. For example:

— We limit access to PII only to specific employees, Service Partners, contractors and agents who have a reasonable need to come into contact with your information.

— Additionally, we also employ a number of physical, electronic, and procedural safeguards to protect PII. Our secure servers and our data centers are protected by encryption, and our servers reside behind firewalls and password protection.

Unfortunately, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your PII, you acknowledge that: (a) there are security and privacy limitations inherent to the Internet which are beyond our control; and (b) the security, integrity and privacy of any and all information and data exchanged between you and us through the Site cannot be guaranteed.
